PROFILE

Frontend, Backend, and MERN Stack Web Developer with a background in web development and hands-on experience through my internship, I believe I am well-suited for this role. I am excited about the opportunity to contribute to your team and help achieve the company's goals.

During my MERN stack internship, I gained practical experience in both frontend and backend development. I became proficient in HTML, CSS, JavaScript, Node.js, Express, MongoDB, and React. These skills align with the job requirements and will allow me to tackle various challenges and projects effectively.
